ORGANIZATION OF WORK

The general debate, which commences with statements by the Chairman of the Executive Board and the Executive Director, is scheduled to occupy the first two days of the session. The Executive Director's response will be delivered on the morning of the fourth day. In accordance with the desire expressed by Board members in the past, policy papers will be reviewed in the course of the general debate, when general observations on the major policy, reporting and planning documents are invited.

Delegations are reminded that Executive Board decision 1987/1 sets a time limit of 10 minutes for statements by delegations and stipulates that all meetings should begin promptly. It is anticipated that delegations will make only one major intervention in the general debate, while reserving more detailed observations on major issues for other agenda items during the meetings of the Programme Committee and the Committee on Administration and Finance. The latter both meet as committees of the whole. It is expected that the Programme Committee will meet from 17 to 23 June and that the Committee on Administration and Finance will meet from 22 to 24 June. In keeping with Executive Board decision 1989/1, interventions in the committees should be as brief as possible, not exceeding seven minutes, to allow for a true dialogue.

Time has been allocated for drafting sessions to negotiate, when necessary, draft recommendations emanating from policy papers or from the floor. Delegations are reminded of the following procedures, as decided by the Executive Board, governing the submission and consideration of draft proposals additional to those contained in the documentation: (a) the Chairman of the Board and/or the chairmen of the committees shall announce deadlines for submission of draft proposals to ensure sufficient time for translation and negotiations, bearing in mind the 24-hour rule; (b) deadlines for submission of draft proposals under each agenda item should be announced during the first days of each regular session of the Executive Board in order to enable delegations to prepare draft proposals in a timely manner; (c) to the extent possible, deadlines for draft proposals should be set in connection with the discussion of the relevant agenda item but no later than two days before the end of the session; and (d) the Chairman of the Board and/or the chairmen of the committees will send proposals that do not enjoy consensus and, therefore, require more thorough examination, to open-ended drafting sessions.

The recommendations of the two committees that require Executive Board approval will be presented to the plenary on the last day of the session in brief oral statements by the respective chairmen. The chairmen of the Board and its committees will then present to the plenary for approval the results on draft resolutions and decisions that are not contained in the committee statements.

Prior to the closure of the session, the secretariat will endeavour to circulate draft reports of the proceedings of the committees. Executive Board members will be invited to submit their comments, if any, in writing to the Office of the Secretary of the Executive Board within two weeks, after which the reports will be included in the report of the Executive Board.

3. Analysis of the follow-up to the Summit Declaration and Plan of Action
[for review]

As requested at the 1991 Executive Board session (decision 1991/10), a report on the analysis of the follow-up to the Summit Declaration and Plan of Action (E/ICEF/1992/12) is submitted to the Executive Board for review.

5. Proposals for UNICEF cooperation and programme reviews
[for review and Board approval]

Some 37 country programme proposals for UNICEF cooperation, among other submissions, will be submitted to the Board for approval. As requested during the 1986 Executive Board session, in-depth presentations will be made of one or two country programme recommendations in each region. UNICEF cooperation will cover:

(d) Asia:

(i) East Asia and the Pacific;

(ii) South Asia;

(e) Interregional and others;

(f) Central and Eastern Europe and the Commonwealth of Independent States.

As has been the practice since 1988, in order to gain time for the consideration of programmes and programme policy, the reports of the regional directors will be taken as read, rather than presented verbally. Following the country presentations, however, the regional directors will make brief statements setting the new country programme recommendations in the regional context. There will also be opportunities, outside the scheduled meetings of the Executive Board, for interested Board members to have informal discussions with the regional directors and other field staff present. In addition, informal meetings on the topics of particular interest to the Board will be scheduled between 9 a.m. and 10 a.m. during the session.

Individual country programme recommendations and regional, subregional and interregional recommendations are issued in documents E/ICEF/1992/P/L.3-E/ICEF/1992/P/L.42.
